

The tuition bill for the Spring 2020 semester is not yet available on my CIS page. I have appended (to this document) the tuition bill for my Fall 2019 semester as the Fall 2019 and Spring 2020 tuition rates are same (as suggested by John Bolke). I have registered for the same number of credits (= 3) in Spring 2020 as I did for Fall 2019.

Thank you
